NOTIFICATION FOR AWARD OF GRANTS TO:

- A) SUCCESSFUL COMMON INTEREST GROUPS (CIGs) AFTER THE 2nd CALL FOR PROPOSALS
B) SUCCESSFUL WUAs/CBOs AFTER 1ST CALL FOR COMMUNITY CIVIL WORKS PROPOSALS

1. Background

Upper Tana Natural Resources Management Project is an eight year (2012-2020) project funded by Government of Kenya, International Fund for Agricultural Development (IFAD), Spanish Trust Fund and the Local community. The **goal** of the project is to “*contribute to reduction of rural poverty in the Upper Tana river catchment*”. This goal is pursued via two **development objectives** which reflect the poverty-environment nexus namely (i) increased sustainable food production and incomes for poor rural households living in the project area; and (ii) sustainable management of natural resources for provision of environmental services.

The project is currently covering 12 river basins and the tributaries of the four (4) rivers formerly under Mt Kenya East Pilot Project for Natural Resources Management (MKEPP) that drain into the Tana River as follows;

Tributaries of former Mt Kenya Pilot Project for Natural Resources Management (MKEPP-NRM) River Basins (4)	Ena (Itimbogo, Thuura and Gangara) Kapingazi/Rupingazi (Kiye, Thambana, Itabua and Kathita), Kathita (Gaciuma/Kinyaritha, Kuuru, Riiji), Mutonga/Kithinu (Naka, Nithi, South Maara, North Maara and Thuci)
High Priority River Basins for UTaNRMP (12)	Maragua, Murubara, Nairobi, Ragati, Rujiweru, Rupingazi, SabaSaba, Thangatha, Thanantu, Thiba, Thika/Sasumua, Thingithu

The Implementation is through four components namely: Sustainable Water Resources and Natural Resources Management, Sustainable Rural Livelihoods, Community Empowerment and Project Coordination and Management. The project is implemented through a community driven approach (CDD). The project is implemented within Focal Development Areas (FDAs) along the river basins.

2 Award of matching grants to common interest groups

The project advertised in the media and local public institutions for Common Interest Groups (CIGs) to apply for matching grants from Project) to support the implementation of Income Generating Activities (IGAs). The Common Interest Groups (CIGs) submitted proposals to the project and after a rigorous desk and field appraisal, some groups qualified for the award of the grants.

3 Award of grants to Water Users Association (WUAs) and Community Based Organization (CBOs)

The project advertised in the media and local public institutions for WUAs/CBOs to apply for grants from Project to support the implementation of community Civil works activities .The WUAs/CBOs submitted proposals to the project and after a rigorous desk and field appraisal, **some** groups qualified for the award of the grants.

A full list of the successful groups and the amounts of grant awarded to each groups is found at the :-

- Project website -www.utanrmp.or.ke
- Chairpersons of the Focal Development Areas (FDAs)
- County Project Coordinators Office
- County and Sub-county offices of the implementing departments of Agriculture, Livestock, Fisheries, Social Services, Water and Kenya forest service (KFS) .

NB: Common Interest Groups, Water Users Associations and Community Based Organizations whose names are not listed in notification should consider their proposals unsuccessful.

4 Grants conditions

The successful CIGs/WUAs/CBOs are required to meet the following **major** conditions before the first tranche of funds/support is given as specified in the matching grants manual (**2nd edition July 2015**) and Community civil works manual (**1st edition August 2015**) as follows :-

- Community contribution including cash (0-10%) and materials and labour (0-20%), or a combination of both depending on the category.
- The CIGs/WUAs/CBOs are required to open designated bank accounts in reputable commercial banks which should include Group name and UTaNRMP.
- During implementation the groups will be required to fully provide the balance of their community contribution depending on the category.
